

Camping Pods 2021

Experience the great indoors . .

Do you still like the outdoorsy experience but are looking for something a little more weather-proof and secure? If so, our wooden camping pods may be just the pitch you're looking for.

What we're offering is a camping-type experience but without the less favourable elements of your weekend away. We've kept them fairly simple so you'll still need to bring your camp beds, cooking gear, and sleeping bags etc, so that's basically everything except the tent really! Our two 'regular' pods sleep about four people, maybe more if they're young kids, and the 'family' pod offers enough room for about six classy campers.

Homing Park is just over a couple of miles from famous Whitstable and about fifteen minutes on foot from the beach and Saxon Shore -way at Seasalter. Our loos & showers have a Gold rating from the

Loo of the Year people and the whole park is graded Five Stars by the tourist board.

Facilities include a tennis court*, laundry*, a five-a-side pitch, and a children's play ground. The clubhouse and swimming pool* is open at busy times and often has entertainment at weekends during the holidays. Most seasons the pool is open between May and September, although during some of that time only at weekends (*charges apply).

To avoid disappointment, book your pod by phoning us on the number below (sorry on-line booking not available).

Keep it local

The gem that is Whitstable, with its quaint harbour, oyster fisheries, boutique shops and galleries is a vibrant, characterful and refreshing town, and shopping and eating out locally never presented a more tempting choice of quality and style.

When you've had your fill of freshly landed Whitstable oysters in the harbour or have walked your legs off exploring the Saxon Shore Way or Crab & Winkle Way, you'll be pleased to have a freshen up in our award-winning shower & loo block with 24hr hot water, hair driers, family room and crockery washup. Maybe our clubhouse & pool might be next on your menu?

We have a selection of local info and visitor attraction leaflets in reception.

Some useful info and tips

- *What's in them?* Half-glazed lockable doors for security and weather proofing, (plus a high level rear window for light and ventilation), two double plug sockets with USB charging points, internal dimmable spot-lights and an external light on the veranda.
- *What's not in them?* A fridge or a cooker, so you'll still need to bring your own, beds or chairs, a fifty-four inch wall mounted telly. Or any telly come to that.
- *There's a freezer in reception for your ice packs (no food items though please).*
- *We've no shop but there's a great Co-op local about eight minutes walk down the road.*
- *For our disabled facilities in the shower block you'll need to bring your RADAR key.*

What are the benefits?

- No more unpacking a wet tent when you get back home to dry it out over the back of the sofa!
- Leave your gear safely behind a locked door while you're out for the day
- No more listening to the snoring from next-door's tent!
- Lights, USB and plug sockets for your phone chargers, blow-up bed pumps, hair driers and kids games etc
- Unlimited use of our Gold award showers & loos
- Free Wi-Fi (limitations apply)

All bookings must be for a minimum of two nights and three on Bank Holiday weekends (one of which must be Saturday). Pets are only permitted at the discretion of the manager, and we regret no single-sex parties or groups of under 21's are allowed.

Prices are per pod per night for pod occupants and one car.

If you want to put up a gazebo it must be less than 3m by 3m, open on all sides, and you must pay the £5/night charge. Barbecues are allowed, but not on the wooden verandas please, and please keep them raised up off the grass too.

How To Find Us

From London and Medway towns, head down the M2 & A299 towards Ramsgate. Turn off the A299 for Canterbury/Whitstable and then look out for the brown caravan and camping sign then turn left into Church Lane.

The park entrance has two large flagpoles. From Canterbury, turn left at the roundabout where the A2990 meets the A290, proceed down the hill and over another roundabout to the bottom where you will cross over the slip road into Church Lane. See website for more info.
